Mikes panel was great! And As soon as I'm back we'll get in touch about 2015. Looking forward to continuing those themes. Really important stuff.

Hi Chick,

Hope this finds you well! Mike had great things to say about this week's event, congratulations on a successful Create Tech! We're knee deep in planning for 2015, and I wanted to touch base with you around opportunities for us to participate in the Transformation event and the Data summit. Mike is definitely interested in speaking, and there's also a possibility we could sponsor an event.

Would you be able to direct me to the person best suited to discuss this with, if not you?

Thanks Chick!  
Katie
