My sincere thanks to you also Jason. Your panel was great and your help with Jason Levy's panel also an immense help to me near the end of the planning.

I hope your issues with Samsung worked out and I'm very much looking forward to getting together soon for a committee planning meeting.

Talk soon!!

Best,  
Chick

Chick -

I apologize I had to rush back to NY for a client crisis with Samsung. We are trying to get their Times Square billboard sorted and it's running into some significant technical issues.

I wanted to let you know what an amazing event it was and how proud I am to be a part of it. I am very disappointed I missed Jason Levy's panel but I heard it was great.

Thank you so much for your partnership in making this happen. I really look forward to doing it all again next year - but even better!

Talk to you soon.

JAS
