Thanks very much Jeff. It was really terrific to have Ben and Fernanda at the event. Their contribution was enormous and added a great deal to the event. I couldn't have been more pleased and really appreciate all the effort and intelligence that went into their presentations.

I see that we're to have lunch at Google on Nov 20. right now but I'm afraid I'm not available that day so even if I miss that date, I look forward to getting together soon.

Best,
Chick
