Edward. Really great spending time with you and I'm really happy you came to CreateTech. I'll get you the email addresses straight away tomorrow.

Chick,

Can't thank you enough for your generosity and your invite to my students. Wish I could have stayed today. The morning sessions were awesome.

I will put together some thought on a possible BU/4As conference and see if there is a way for us to collaborate.

Let me know how and when you want to continue the conversation and with whom as well.

Would you be so kind as to send me Harley's, Nancy's and Carl's email?

Talk soon, I hope.

Edward
